The following is the National Institute of Packaging, Handling & Logistics Engineers (NIPHLE) Privacy Policy:

Thank you for visiting our website. This privacy policy tells you how we use personal information collected at this site. Please read this privacy policy before using the site or submitting any personal information. By using the site, you are accepting the practices described in this privacy policy. These practices may change; changes will be posted and will apply only to activities and information going forward, not retroactively. We encourage you to review the privacy policy whenever you visit the site to make sure that you understand how any personal information you provide could be used.

Note: the privacy practices set forth in this privacy policy are for this web site only. If you link to other web sites, please review the privacy policies posted at those sites.

## **Collection of Information:**

We collect personally identifiable information, like names, postal addresses, email addresses, etc., when voluntarily submitted by our visitors. We use this information to fulfill your specific request, unless you give us permission to use it in another manner, for example, to add you to one of our mailing lists.

## **Cookie/Tracking Technology:**

The Site may use cookie and tracking technology depending on the features offered. Cookie and tracking technology help gather information such as browser type and operating system, track the number of visitors to the Site, and understand how visitors use the Site. Cookies can also help customize the Site for visitors. Cookies and other tracking technology cannot collect personal information; however, if you previously provided personally identifiable information, cookies may be tied to that information. We may share aggregate cookie and tracking information with third parties.

## **Distribution of Information:**

We may share information with governmental agencies or other companies assisting us in fraud prevention or investigation. We may do so when: (1) permitted or required by law; or (2) try to

protect against or prevent actual or potential fraud or unauthorized transactions; or (3) investigating fraud which has already taken place. We do not provide the information to any companies for marketing purposes.

### **Commitment to Data Security:**

We keep your personally identifiable information secure. Only authorized employees, agents, and contractors (who have agreed to keep the information secure and confidential) have access to it. All emails and newsletters from this site allow you to opt out of further mailings.
